

KANE'S

*The Ultimate  
Luxury Holiday  
in...*

*Rural Spain*

*Dear Clients.....*

*We are now able to offer holidays in Spain, at our recently renovated Andalucian villa, situated high up in the hills with a magnificent view of the Spanish countryside. Set in 17 acres of private land amongst lemon, orange, and olive groves and close to the famous white walled town of Alora. Located only 40 minutes inland from Malaga and Puerto Banus, and only 30 minutes from the magnificent El Choro Lakes (situated in one of Spain's prettiest National Parks) with accessibility to Rhonda, Granada and Seville.)*

*The villa is an ideal centre from which to enjoy your holiday. You may wish to walk amongst the hills and enjoy the panoramic views or just relax, swim or sunbathe at the villa.*

*Kane's promotes an informal relaxed atmosphere where you are a personal guest at the villa rather than the formality associated with staying in hotels. We look forward to greeting you as our house guest in the near future and assure you of a warm welcome and a relaxed holiday with a difference.*
